PROBLEM #1

POPULAR AMERICAN TREES

Tree	Mature Height	Description
Bradford Pear	35' to 40'	With white blossoms in spring, this popular tree does not produce fruit, but derives its name from the pear shape formed by its branches
Dogwood	15' to 30'	Producing pink or white blossoms in early spring, these trees do best in light to moderate shade
Redbud	30' to 35'	Small deep pink blooms make the redbud a favorite flowering tree that does well in moderate shade
Sweet Gum	65' to 75'	Fast growing and hardy tree that has an attractive silver gray bark, prefers moist soil and medium to dense shade

PROBLEM #4

WHERE WAS MAMA WHEN I NEEDED HER?

One	Two	Three	Four	Five	Six
Position the toaster in a convenient spot on your kitchen counter.	Locate the cord and plug it into the nearest electrical outlet.	Insert a slice of bread into one of the slots on the top of your toaster.	Press the lever to drop the bread slice into the selected toaster slot.	When the toasting operation is complete, remove the toast.	Place the toast on a plate and apply the desired topping.
